He provided intelligence on them which was used in massacres all while pretending to be their ally. The Spanish also used biological warfare on the Aztecs. The founder of the Jesuits was Ignatius Loyola a military leader from Spain with Basque and Moor ancestry. The Jesuit provincial of the Northeast in the United States is John Cecero and he is a ruthless and psychotic tormentor. Erik Oland is the provincial of Canada and a ruthless tyrant. The Jesuit photographer

Francis Browne was on the Titanic and managed to get off before it sank. The Titanic was switched with its damaged twin sister ship the Olympic which was intentionally sunk as insurance fraud. The Jesuits who were previously banished from Japan were in Hiroshima when the "atomic bomb" was dropped. Pedro Arrupe along with seven other Jesuits were within miles of the nuclear blast zone in Hiroshima and all survived untouched. SJ Pedro Arrupe is in video testifying about Hiroshima before he was later made the Superior General of the Jesuit Order. The Allies really strategically firebombed Nagasaki and Hiroshima and claimed they were nuclear bombs as a form of intimidation. Jesuits have been known as the Ninth Circle cult which refers to the ninth planet Pluto which is associated with Hades the underworld. The Ninth Circle is also the last stage of Hell in Dante's Inferno the location of Hades or Pluto the Devil. Hades is where the word Hate comes from. Jesuits are the Cult of Hades. The former Jesuit General Adolfo Nicolas operates as the guard for the current Jesuit General similar to the way Cerberus was the guard dog of Hades. Pope Francis is the first Jesuit Pope and he oversees most secret societies like the multi headed Hydra in the Greek myth which was associated with the underworld or depths of the ocean. Hydra was said to be from Lerna the doorway to the underworld. Pope Francis is a violent false accusing psychopath that attacks people who expose criminals by going "No Youuu."

The Jesuits were paying their dues back to the Italian Nobility which angered the kings of Spain and Portugal and is one factor that led to the Jesuits being banished from Europe. They were sent to Corsica and a few decades later Napoleon Bonaparte was born who then made war on all the European nations that banished the Jesuits. Immediately after the Napoleonic Wars ended the Jesuits were reestablished through the Congress of Vienna which was mostly managed by Austrian nobles and many of them are Knights of Malta. Jesuits are ruthless devils that need to be hunted down and completely exterminated.
